SAY YOU'LL BE THERE

Say you'll be there
I'm giving you everything all that joy
can bring this I swear
Last time that we had this conversation
I decided we should be friends

Yeah

but now we're going round in circles
tell me will this deja vu never end? Oh
Now you tell me that you've fallen in love
well I never ever thought that would be
This time you gotta take it easy
throwing far too much emotions at me
But any fool can see they're falling,
I gotta make you understand

I'm giving you everything all that joy can bring this I swear
(I give you everything)
And all that I want from you is a promise you will be there
Say you will be there (Say you will be there)
Won't you sing it with me

If you, put two and two together
you will see what our friendship is for (Oh)
If you can't work this equation then
I guess I'll have to show you the door
There is no need to say you love me,
It would be better left unsaid

I'm (I'm) giving you everything (I give you everything)
all that joy can bring this I swear (yes I swear)
and (and) all that I want from you (all I want from you) is a promise
(is a promise) you will be there
Yeah, I want you

Any fool can see they're falling,
gotta make you understand

I'll give you everything on this I swear
Just promise you'll always be there
I'm giving you everything (I m giving you everything)
all that joy (all that joy can bring) can bring this I
swear (yes I swear)
and all that I want from you (all that I want from you) is a promise
(I want you to promise you'll) you
will be there (always be there)

I'm giving you everything (I m giving you everything)

all that joy (all that joy can bring) can bring this I swear (yes I swear)
and all that I want from you (all that I want from you) is a promise
(I want you to promise you'll)
you will be there (always be there)

2 BECOME 1

Candlelight and soul forever
Dream of you and me together
Say you believe it say you believe it
Free your mind of doubt and danger

We can achieve it we can achieve it
Come a little bit closer baby get it on get it on
'cause tonight is the night when 2 become 1

I need some love like I've never needed love before
Wanna make love to ya baby
I had a little love now I'm back for more
Wanna make love to ya baby
Set your spirit free, it's the only way to be
Silly games that you were playing
Empty words we both were saying
Let's work it out boy, let's work it out boy
Any deal that we endeavor
boys and girls feel good together
Take it or leave it, take it or leave it
Are you as good as I remember baby? Get it on, Get it on
'cause tonight, is the night, when 2 become 1

I need some love like I've never needed love before
Wanna make love to ya baby

Wanna make love to ya baby
Set your spirit free, it's the only way to be

MAMA

She used to be my only enemy and never let me be free
Catching me in places that I knew I shouldn't be
Every other day I crossed the line I didn't mean to be so bad
I never thought you would become the friend I never had
Back then I didn't know why
Why you were misunderstood
So now I see through your eyes
All that you did was love
Mama I love you. Mama I care
Mama I love you . Mama my friend. You're my friend
I didn't want to hear it then but I'm not ashamed to say it now
Every little thing you said and did was right for me
I had a lot of to think about, about the way I used to be
Never had a sense of my responsibility
Back then I didn't know why
Why you were misunderstood
So now I see through your eyes, all that you did was love
Mama, I love you. Mama, I care
Mama, I love you. Mama ,my friend. You're my friend
But now I'm sure I know why,
Why you were misunderstood
So now I see through your eyes
All I can give you is love is love
Mama I love you. Mama, I care
Mama, I love you. Mama, my friend, You're my friend
Mama, I love you, Mama ,I care
Mama, I love you, Mama, my friend, You're my friend

WHO DO YOU THINK YOU ARE?

The race is on to get out of the bottom,
The top is high so your roots are forgotten,

Giving is good as long as you're getting,
What's driving you it's ambition and betting,
I said who do you think you are?
(I said who)
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are,
Swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are.

You're swelling out in the wrong direction,
you've got the bug, superstar you've been bitten,
Your trumpet's blowing for far too long,
playing the snake of the ladder, but you're wrong

I said who do you think you are?
(I said who)
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are,
Swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are.

You have got to reach on up, never lose your soul,
You have got to reach on up, never lose control

I said who do you think you are?
(I said who)
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are,
Swing it, shake it, move it, make it,

who do you think you are?
Trust it, use it, prove it, groove it,
show me how good you are.

[x 6] Swing it, shake it, move it, make it,
(who do you think you are?)
Trust it, use it, prove it, groove it
show me how good you are,

TOO MUCH

Love is blind, as far as the eye can see
Deep and meaningless, words to me
Easy lover, I need a friend
Road to nowhere, twist and turns but will this never end

Well my dear you know that he pleases me (eases me)
But short term solution aint no resolution
There aint no release for me

Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied

Unwrap yourself from around my finger
Hold me too tight or left to linger
Somethin' fine built to last
Slipped up there I guess we're running out of time too fast

Yes my dear you know he soothes me (moves me)
There's no complication there's no explanation
It's just a groove in me

Too much of something is bad enough (bad enough)
But something's coming over me to make me wonder
Too much of nothing is just as tough (just as tough)
I need to know the way to feel to keep me satisfied

What part of no don't you understand
(understand, understand)
I want a man not a boy who thinks he can
Boy who thinks he can

Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied

Too much of something is bad enough (bad enough)
But something's coming over me to make me wonder
Too much of nothing is just as tough (just as tough)
I need to know the way to feel to keep me satisfied

Too much of nothing so why don't we give it a try
Too much of something we're gonna be living a lie

STOP

You just walk in, I make you smile
It's cool but, you don't even know me [harmony]
You take an inch, I run a mile
Can't win you're always right behind me [harmony]
And we know that you could go and find some other
Take or leave it or just don't even bother
Caught in a craze, it's just a phase
Or will this be around forever

Don't you know it's going too fast
[oooh, too fast]
Racing so hard you know it won't last
[oooh, won't last]
Don't you know, why can't you see
Slow it down, read the sign
So you know just where you're going

Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun

Do do do do
Do do do do
Do do do always be together

Ba da ba ba
Ba da ba ba
Ba da ba stay that way forever

And we know that you can go and find some other
Take or leave it cos we've always got each other
You know who you are and yes, you're gonna breakdown
You've crossed the line so you're gonna have to turnaround

Don't you know it's going too fast
[oooh, too fast]
Racing so hard you know it won't last
[oooh, won't last]
Don't you know why can't you see
Slow it down, read the sign
So you know just where you're going

Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun

Gotta keep it down honey, lay your back on the line
Cos I don't care about the money, don't be wasting my time
You need less speed, get off my case
You gotta slow it down baby, just get out of my face

[x2] Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun

Stop right now thank you very much
(Stop right now)
I need somebody with a human touch
(We wanna thank, wanna thank you)
Hey you always on the run
(Stop right now)
Gotta slow it down baby, gotta have some fun
(Thank you very much, thank you very much)

VIVA FOREVER

Ahhhhh

Do you still remember, how we used to be
Feeling together, believing whatever
My love has said to me
Both of us were dreamers, young love in the sun
Felt like my saviour, my spirit I gave you
We'd only just begun

Hasta mañana, always be mine

Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Yes I still remember, every whispered word
The touch of your skin, giving life from within [harmony]
Like a love song that I'd heard [harmony]
Slippin' through our fingers, like the sands of time
Promises made, every memory saved [harmony]
Has reflections in my mind [harmony]

Hasta mañana, always be mine

Viva forever, I'll be waiting
Everlasting, like the sun

Live forever, for the moment
Ever searching for the one

(ahhhhh)

Back where I belong now, was it just a dream
Feelings unfold, they will never be sold [harmony]
And the secret's safe with me [harmony]

Hasta mañana, always be mine

Viva forever (viva forever), I'll be waiting (I'll be waiting)
Everlasting (everlasting), like the sun (like the sun)
Live forever (live forever), for the moment (for the moment)
Ever searching (ever searching) for the one (for the one)

Viva forever (viva forever), I'll be waiting
Everlasting, like the sun
Live forever (live forever), for the moment
Ever searching for the one

Viva forever (viva forever), I'll be waiting
Everlasting, like the sun
Live forever (live forever), for the moment
Ever searching for the one (for the one)

Viva forever, I'll be waiting (I'll be waiting)
Everlasting, like the sun
Live forever (live forever), for the moment
Ever searching for the one

LET LOVE LEAD THE WAY

What makes this world go round
Will the answer let her down
She is so sweet and young
And her life has just begun

what does her future hold
That's a story left unknown
Will she make it through her days
Let a love lead the way

Part of me laughs
(Ooh)
Part of me cries
Part of me wants to question why
(Question why)

Why is there joy
Why is there pain
Why is there sunshine in the rain
(One day)
One day you're here
Next you are gone
No matter what we must go on
Just keep the faith and
Let love lead the way

Every thing
Will work out fine
If you let love
Let love lead the way

Sitting there all alone
In the window of her room
Watching the world go by
Brings tears to her eyes

All she sees is hurt and pain
She wants to break the chain
She'll keep pressing every day
And she'll find her own sweet way, hey

Part of me laughs
(Me laughs and)
Part of me cries
(I cry)
Part of me wants to question why
(Wants to question why)
Why is there joy
Why is there pain
(So much pain)
Why is there sunshine in the rain
(Sunshine in the rain)
One day you're here
(You're here)
Next you are gone
(You're gone)
No matter what we must go on
(I will go on)
Just keep the faith and
(Keep your faith)
Let love lead the way
I know I know I know I know

You can be all bad
And still can be who you are
You've gotta know for sure
That it isn't make believe

You make me weak
But you are strong
Don't you give up there

If you keep holding on
You'll never be wrong
Just close your eyes cos it lies deep in your heart, yeah

Part of me laughs
Part of me cries
(I cry)
Part of me wants to question why
(Question why)
Why is there joy
(So much joy)
Why is there pain
(So much pain)
Why is there sunshine in the rain
(Shine in the rain)
One day you're here
(You're here)
Next you are gone
(You're gone)
No matter what we must go on
(But it will)
Just keep the faith and
Let love lead the way
(Lead the way)

Every thing
Will work out fine
If you let love
Let love lead the way

Love lead the way

HEADLINES (FRIENDSHIP NEVER ENDS)

The time is now or never to fit the missing piece
To take this on together, you make me feel complete
We fall into the future and through the looking glass
The light shines over our heads and so it comes to pass

To go beyond the surface, to reach into your soul
This love is not demanding, my heart has told me so
I hold onto my hero, with faith enough to fly (aah-aah-aah)
The power to imagine, will keep this love alive [harmony]

Let's make the headlines loud and true
I wanna tell the world I'm givin it all to you

Let's make the headlines loud and clear
The best things suddenly happen when you are here

If I lost my way you'd carry me home
Take me all the way to heaven, never leave it alone (everything)
And it's just like everything matters when you are near (matters when you're near)

And it feels so good, every bell's gonna ring
Your love is alive and it's makin me sing
I could fly, wanna cry, want the whole world to know
We are together, come on baby let's go

And words yet to be spoken, will fall upon the page (aah-aah-aah)
Spellin out true devotion, is all we need to say

Let's make the headlines loud and true (say you love me, and I'll say I love you too (Geri & Victoria))
I wanna tell the world I'm givin it all to you (just remember what simple words can do (Geri & Victoria))

Now listen little child, there will come a day
When you will be able, able to say
Never mind the pain, or the aggravation
You know there's a better way for you and me to be

Look for the rainbow in every storm
Fly like an angel, heaven sent to me

Goodbye my friend
I know you're gone, you said you're gone
But I can still feel you here
It's not the end
Gotta keep it strong
Before the pain turns into fear

So glad we made it
Time will never change it, no, no, no
No, no, no, no

Just a little girl, big imagination
Never letting no one take it away

Went into the world (into the world) what a revelation
She found there's a better way, for you and me to be

Look for the rainbow in every storm
Find out for certain loves gonna be there for you
You'll always be someone's baby

Goodbye my friend
I know you're gone, you said you're gone
But I can still feel you here
It's not the end
Gotta keep it strong
Before the pain turns into fear

So glad we made it
Time will never change it, no, no, no
No, no, no, no
You know its time to say goodbye
No, no, no, no

The times when we would play about
The way we used to scream and shout
We never dreamt you'd go your own sweet way

Look for the rainbow in every storm
Find out for certain, love's gonna be there for you
You'll always be someone's baby

Goodbye my friend
I know you're gone, you said you're gone
But I can still feel you here
It's not the end
Gotta keep it strong
Before the pain turns into fear

So glad we made it
Time will never, never, ever change it
No, no, no, no
You know it's time to say goodbye
No, no, no, no
And don't forget you can rely
No, no, no, no
You know it's time to say goodbye
And don't forget on me, you can rely
No, no, no, no
I will help you, help you on your way
I will be with you everyday
No, no, no, no
I will be with you everyday

No, no, no, no
I will be with you everyday
